26th June 2026 Issue 34

Dear Parents and Carers,

This week has certainly challenged us all; thankfully, cooler temperatures are on their way and a return to normal. Your feedback has been very much appreciated as we have navigated these last few days; everyone has their own thoughts on what is best and as such it is difficult to please everyone. As a Trust, you know that we will stay open, come snow or shine, and work around the risks. This is what we have endeavoured to do to continue to provide the support you need as families.

Despite the heat, it has been another busy and exciting week here at Passmores.

On Wednesday, we welcomed back our very tired - but happy - Year 7 students following their fun-filled few days away in Mersea. It only feels like five minutes since they joined us, yet on Thursday we were already saying hello to a brand-new cohort of Year 6 students as they took part in their first induction day. We cannot wait for them to join us in September.

At the other end of the school journey, our year 10s have battled through their mocks, giving their very best with the heat. They have been brilliant and shown such resilience. Results will be given (in an envelope) in the last week of term.

We also had the opportunity to say a final farewell to our outgoing Year 11 students as they returned for one final time on Thursday evening, in all their finery before heading off to their prom. It was a lovely occasion and a fitting way to mark the end of their time at Passmores. We look forward to seeing them all in August, when hopefully they get the results that they deserve / need for their next steps.

Three weeks to go! Still so much to do and experience, including our re-scheduled Sports Day on Friday 3rd July.

Natalie Christie
Principal of Passmores Academy

PASTORAL UPDATE

Thought for the Week

This week's focus has been all about embracing Sports Day. House meetings were in full flow as team sheets were prepared, with a real sense of house identity and team spirit on show across the school.

Unfortunately, the weather had other plans, meaning Sports Day has been rescheduled for next Friday. While disappointing in the moment, it has only added to the anticipation. We will have to wait a little longer to discover who will be crowned Sports Day Champions, but the extra time will surely allow the excitement to build even further!

In the News

Students tuned into *Newsround* this week to explore the stories making national headlines. In particular, discussions were centred around the extreme weather conditions and events taking place in Downing Street, both of which prompted thoughtful conversations in tutor groups.

In Other News

It has been another incredibly busy and successful week across the school:

Year 7 Mersea Trip: Students returned on Wednesday afternoon after a fantastic trip. They made wonderful memories and represented the school brilliantly—although there were certainly some tired faces on return (and that was just the staff!).

Year 6 Induction Day: Thursday saw our incoming Year 7 cohort join us as part of their transition programme. There was a mixture of nerves and excitement, but all students had a fantastic day. We look forward to welcoming them fully into the Passmores community in September.

Year 9 Harlow College Taster Day: Year 9 students spent the day at Harlow College, gaining valuable insight into future pathways. Feedback has been very positive, and the experience will help inform their next steps.

Year 11 Prom: Thursday evening marked a wonderful celebration as Year 11 enjoyed their prom. Despite the heat, students looked fantastic and danced the night away, an excellent way to mark the end of their time at Passmores.

Continues on the next page....

Looking Ahead to Next Week...

Another action-packed week awaits:

- Thought for the Week: Sports Day will take centre stage as we finally host our rescheduled events.
- In the News: Students will explore Drowning Prevention Week, raising awareness of water safety ahead of the summer holidays.
- Key Events:
 - Year 5 visits – Monday
 - Year 6 Induction Evening – Thursday
 - Year 7 & 8 Careers Day – Thursday
 - Year 9 & 10 Work Shadowing Day – Thursday
 - Sports Day – Friday

It promises to be a busy and exciting week—here’s hoping for slightly cooler temperatures!

Mersea 2026

East Mersea certainly came around quickly. It feels like only yesterday that I was organising the initial assembly to garner interest in what is *the best trip* in the school calendar.

On paper, taking 140 students and 15 staff on a residential is a daunting task. In reality, it was quite the opposite. The students represented themselves and the school amazingly. They got stuck into every activity and embraced the Mersea motto: "Life is not a spectator sport".

From scaling the climbing walls and descending the zipwires, to performing in *Mersea's Got Talent*, and wearing a hard hat for 24 hours as a forfeit, staff and students alike made memories that will last a lifetime. If you ever want your young person to be ready for a certain time, try playing the Final Countdown by Europe... they're well-conditioned to be where they need to be by the end of the song!

We went through several hundred litres of water, about 20 bottles of suncream, a few bottles of after sun, and that was just the staff!

Mersea 2027 is already booked in, but it will take a lot to top the experience of Mersea 2026.

Set Design Crew - Matilda

The famous saying 'it takes a village to raise a child' could never be more true when it comes to putting on a school production. Whilst the team have been working hard to get the scenes blocked, the dances choreographed and the harmonies nailed, the set design has taken a back seat due to the exam season needing to use the hall.

With only 11 days to go we have a mammoth task to get the set ready, and I couldn't be more thankful to the students that have been offering their time to help start getting things ready. It is often the backstage crew that go unnoticed in putting a production together, but the committed students I have, have been willing to work through the heat and at weekends to help bring the show to life.

To Poppy Perkins, Jack Bolwerk, Sophia De Lima, Amy Kingsland, Immy Long & Mason Norris – you are superstars.

Year 9 Students Experience College Life

On Thursday 25th June, all of our Year 9 students had the exciting opportunity to attend a taster day at our local college, giving them a valuable insight into further education and future career pathways.

During the visit, students enjoyed a tour of the college campus, exploring the excellent facilities and experiencing what life as a college student could be like. They also attended an informative presentation about the wide range of courses available, as well as learning about the many career opportunities and progression routes that studying at college can offer.

The highlight of the day was taking part in a variety of hands-on activities linked to different subject areas and industries. Students studying Plumbing had the chance to try soldering pipes, while those exploring Motor Vehicle learnt how to change a tyre. In Engineering, students worked together to build race cars before putting them to the test in a friendly competition. Hospitality students worked in the Skylight restaurant, alongside many other engaging activities taking place throughout the day.

I was incredibly proud of the way our Year 9 students conducted themselves throughout the visit. They represented the school exceptionally well, demonstrating enthusiasm, curiosity and respect at all times. Their positive attitude and willingness to engage with every activity were noted by college staff and were a credit to both themselves and the school community.

The taster day provided our students with an excellent opportunity to develop new skills, discover potential career interests and gain a greater understanding of the exciting opportunities available to them after school. We would like to thank the college staff for hosting such an enjoyable and informative day.

Tammy Bassett
Head of Department – iFuture and Careers

Top Tech Tips...

EE have recently launched their 'Safer sims'. These are sim-only plans that have child protection features built into the SIM, which, unlike software-based restrictions, cannot be turned off.

They offer 3 tiers of restriction:

Protected - £9 p/m	Guided - £12 p/m	Trusted - £15 p/m
▪ Little Data – Maps and WhatsApp ▪ Unlimited minutes and texts ▪ Network-level parental controls. ▪ Scam call identification. ▪ Blocks on premium-rate calls and charges added to the phone bill. ▪ Blocks 18-rated material any content above a PG rating prevents functioning of chat, dating, and unmoderated social networking sites e.g. Instagram, Snapchat etc. ▪ Google SafeSearch to filter out websites related to adult or unsecured content	▪ 3GB of Data ▪ Unlimited minutes and texts ▪ Network-level parental controls. ▪ Scam call identification. ▪ Blocks on premium-rate calls and charges added to the phone bill. ▪ Blocks 18-rated material You can request the other filters from the “protected” sim here too.	▪ 10GB of Data ▪ Unlimited minutes and texts ▪ Network-level parental controls. ▪ Scam call identification. ▪ Blocks on premium-rate calls and charges added to the phone bill. ▪ Blocks 18-rated material

One of the key features of these plans are that, if you opt for a “guided” or “trusted” sim, when they have used the allocated data, they get given the same data as the “protected” sim where only WhatsApp and maps will work but they will always be connected.

It is important to note, this only works when they are using EE’s network and won’t work when they are on Wi-Fi so it is recommended to have parental controls set up on your Wi-Fi too.

Dear PCLC Family, Parents & Carers,

Graham & Charlie Dowers (Paringdon) are taking on two cycling challenges this year as part of their annual fundraising mission in memory of their Nephew/Cousin, Greg and to raise much needed funds for The Chocolate Run, a charity that I Chair and that hosts a Drop-In every Sunday evening (5-7pm) where Harlow's Street Homeless & Vulnerably Housed can get a hot meal/dessert and companionship. Greg was a very popular Chocolate Run guest until July 2022 when he sadly died.

The Poplar Kitten has offered their support by hosting alternating QUIZ and BINGO nights every Wednesday evening (from 7.15pm) every week throughout June, July & August.

The Chocolate Run Trustees are very grateful to all involved and are keen to invite as many staff, parents, and carers to take part, either alone or as part of a group - I promise you will have a great time whilst raising money to help others.

SPORT / PE UPDATES

On Friday 19th June, we took 84 students to Melbourne Athletics Track in Chelmsford for our annual Harlow and West Essex District Sports competition.

It turned out to be a fantastic day, with excellent weather and some outstanding performances on both the track and field.

I would like to say a huge thank you to all the students who took part, as well as the staff who attended, organised teams, and provided support throughout the day to help make the event such a success.

Young Economist of the year Competition (sponsored by KPMG)

For students in Years 10–13. Students can enter individually or in groups of up to 5.

- **Task:** Submit an essay, presentation, or video/audio answering one of five economics questions (e.g. GDP vs happiness, free trade, dynamic pricing, billionaires, or AI and growth).
- **Deadline:** 29 June 2026
- **What happens next:**
 - 5 shortlisted entries announced September 2026
 - Finalists present at KPMG offices in October 2026 (10-minute presentation + Q&A)
- **Purpose:** Encourage diverse students to engage with contemporary economic issues and share original ideas.

To find out more and apply, go to [Young Economist 2026 | Discover Economics](#)

Year 9 & 10 Work Shadowing Day, Thursday 2nd July

Work shadowing is a fantastic opportunity for students to gain a real insight into the world of work and to be given the chance to observe a job role which may be of specific interest for future career choices. Letters have gone out to year 9 and 10 parents/carers about this opportunity. Students will need to work with family or a close friend of the family. The deadline to find a placement is Friday 5th June 2026.

On the letters, there is a link to a google form, to be completed once the student knows where they are going. Any questions, please contact j.kay@passmoresacademy.com or t.bassett@passmoresacademy.com.

Your School Nursing Service

Someone you know and can trust...

Your School Nursing Service can work both in and out of School to help provide or find you support about:

Keeping Healthy

Immunisations

Emotional Health

Weight Management

Sexual Health

Drugs and Alcohol

Smoking

We can also help make sure that young people with disabilities, long term illness, or other needs can receive extra support when they need it. If we can't provide the help ourselves, we will connect you with someone who can.

Confidential

We provide a confidential service. This means that you can discuss personal information in confidence. We will not discuss your personal information with anyone else without your permission. This includes parents and teachers. We would only pass on your information in order to protect you or someone else from serious harm. Whenever possible we would discuss this with you first.

Qualified

School Nurses or Specialist Community Public Health Nurses are qualified nurses or midwives with specific graduate level education, and work with a team to support you.

Non Judgemental

We are here to help, not to judge.

When and Where can I Access my School Nursing Service?

Every Tuesday

10.55 – 11.45 am

In the A/C.

What Educators Need to Know about INVOICE FRAUD

WHAT ARE THE RISKS?

Invoice fraud, including payment diversion fraud, occurs when criminals deceive you into paying a fake invoice or redirect a genuine payment into their own bank account. Fraudsters may impersonate suppliers, intercept emails, or send convincing invoices to prompt urgent payment into fraudulent accounts. It is one of the most common and costly forms of financial crime affecting individuals, businesses, and schools.

COMMUNICATIONS CLAIMING URGENCY

Communications that claim to be urgent or highlight late payments may be a key sign. Fraudsters often apply pressure to rush decisions and stop checks. Take a moment to verify the request using trusted contacts before making any payment.

CHANGES TO BANK DETAILS

Receiving messages saying a regular supplier has changed their bank account details can be a warning sign. Fraudsters may impersonate contacts to redirect payments. Always verify changes first using known supplier contact details.

DISCREPANCIES AGAINST PREVIOUS INVOICES

Be wary of invoice details that don't match authentic, previously issued invoices, such as amounts, reference numbers or contact names. Fraudsters often alter small details to avoid detection. Always query any differences using your supplier's contact details.

MINOR EMAIL CHANGES

Look out for slight changes to a supplier's email address, such as extra characters or spelling differences. Fraudsters often use similar looking addresses to appear genuine. Always check the sender carefully and verify any concerns using known contact details before responding or making a payment.

UNEXPECTED PAYMENT REQUESTS

Invoices or payment requests for goods or services you do not recognise can be a warning sign. Fraudsters may send false invoices hoping they will be paid without question. Check records and confirm with the supplier before processing any unfamiliar request.

UNUSUAL LANGUAGE OR TONE

Messages with unusual wording, grammar or spelling compared to your usual supplier communications may indicate fraud. Criminals often copy legitimate messages but may not match the usual tone or style. The rise in artificial intelligence (AI) means errors are no longer as common or obvious. Be cautious and verify the request if anything seems out of place.

WE NEED PAYING NOW!

Advice for Parents & Educators

VERIFY BANK DETAILS

Always confirm any change to a supplier's bank details before making a payment. Use a trusted phone number or a long-standing contact you have used before, not the details provided in the request. This helps ensure you are dealing with a genuine supplier and prevents payments being redirected to fraudsters.

DUAL PAYMENT APPROVAL

Ask a trusted person to review and approve high-value payments. A second set of eyes can help spot unusual details or warning signs that might otherwise be missed. This adds an extra layer of control and reduces the risk of errors or fraudulent payments being processed.

CROSS-CHECK INVOICES

Compare new invoices with those previously issued by the supplier in question. Check key details such as amounts, bank details, reference numbers and contact information. Differences may indicate fraud, so always investigate and verify anything that does not match before making a payment.

REPORT FRAUD QUICKLY

If you suspect fraud, act immediately. Contact your bank using 159 or their official number and report it to Report Fraud online or by calling 0300 123 2040. Keep all emails and documents. For more guidance, or to register for counter fraud alerts, see DfE counter fraud guidance. You can find the invoice fraud leaflet on the National Crime Agency website.

Meet Our Expert

Evan Williams is a counter fraud manager at the Department for Education. Having led the function there for many years, he now focuses on continual improvement, communication, and innovation. He proudly oversaw the growth of the counter fraud team during the pandemic, having worked in counter fraud for 16 years since starting his civil service career with the National Crime Agency back in 2010.
