

Newsletter

12th June 2026 Issue 32

Dear Parents and Carers,

This week has had a real sense of community running through it, with so many opportunities for students, families and staff to come together.

I would like to start by thanking those who were able to attend our Sports Presentation Evening on Wednesday. It was fantastic to see so many people there supporting and celebrating our sporting achievements. None of which would be possible without the dedication of the PE staff.

I would also like to extend my thanks to all the parents and carers who joined us for our Coffee & Cake sessions yesterday. These opportunities to connect, hear your feedback and share ideas are invaluable to our relationship, particularly as we begin looking ahead to the new academic year. Your thoughts and perspectives are more important than ever.

Looking ahead to next week, we will be proudly recognising National *Thank a Teacher Day* on Wednesday 17th June. This special day provides an opportunity to celebrate the incredible dedication, care and hard work of our teaching and support staff, who make a positive difference in the lives of our students every day. We encourage everyone to take a moment to share a message of thanks or appreciation with a member of staff who has made an impact. A few kind words can go a long way and mean so much - [Thank a Teacher Form](#) - [Thank a Teacher](#)

As our year 11s near the end of their exams (last one on Wednesday) the handing over of the senior baton is now fully in motion as the Year 10s start their mocks on Monday. We wish them all the best!

Natalie Christie

PASTORAL UPDATE

Pastoral Curriculum Time This Week

This week, students used their Pastoral Curriculum Time to prepare for one of the highlights of the school calendar – Sports Day. Students completed their team sheets for the field events, with team spirit, enthusiasm and leadership evident throughout the process.

Year 9 and Year 10 students then took to the field to compete in their events, representing both their year groups and Houses with pride. Valuable points were secured as the battle to be crowned Sports Day Champions officially got underway. The level of commitment, determination and encouragement shown by students was fantastic to see. Year 7 and Year 8 students will have their opportunity to compete in the field events on Monday, and we look forward to seeing them follow in the footsteps of their older peers.

As part of our preparations for the introduction of our new day structure in September 2026, students also spent time on Wednesday finding out their new tutor groups and tutors for next academic year. Any change can bring a mixture of excitement and apprehension, and we recognise that students may feel both. By sharing this information well in advance, we hope to provide reassurance, answer questions and alleviate any anxiety associated with the changes ahead.

In Other News

It has certainly been another busy and successful week at Passmores.

Congratulations to our Year 10 students who completed their Silver Duke of Edinburgh Expedition. Students demonstrated exceptional resilience, teamwork and navigation skills throughout the challenge and should be incredibly proud of their achievements.

On Tuesday, our Year 10 geographers travelled to Walton-on-the-Naze for their fieldwork visit. The trip provided an excellent opportunity for students to apply their classroom learning in a real-world setting, and a great day was had by all.

House competition fever continues to build as Year 9 students competed in the Passmores Big Quiz, earning yet more valuable House points. With only a few weeks remaining, the House competition is simply too close to call, making every point more important than ever.

Wednesday evening saw us celebrate the incredible sporting achievements of our students at the annual Sports Presentation Evening. It was a wonderful occasion recognising both individual excellence and team success across a wide range of sports. The evening highlighted the wealth of talent, commitment and dedication that exists within our school community.

Continued on the next page...

Looking Ahead to Next Week...

As we continue our preparations for the introduction of the new day structure in September 2026 (shown below), the first part of next week will focus on sharing further information with staff and students ahead of our first whole-school breaktime trial day on Thursday.

On this day, all students will attend first break before going to Pastoral Curriculum Time. During Pastoral Curriculum Time, students will have the opportunity to provide feedback on what worked well and identify any challenges they experienced. Their views will be invaluable in helping us refine our plans and ensure a successful transition to the new structure in September.

With Sports Day preparations continuing, House competitions intensifying, and important planning for next year taking place, it promises to be another busy and exciting week at Passmores.

Geography Field Trip

On Tuesday 9th June, 54 GCSE geographers and staff headed off to Walton-on-the-Naze to complete their fieldwork.

The conditions were perfect - low tide, exposing the magnificent sandy beach and wave cut platform, and giving full access to the groynes for our investigation. We looked at the and looked measured how far they had retreated since the 1960s....it was amazing to think that the Second World War pill boxes in the sea marked the cliff line 60 years ago!

The sun shone - despite a forecast of rain all day, we stayed dry and enjoyed being a tourist at Walton! (Legitimate investigation - students were interviewing people and surveying facilities to see if tourism has a positive or negative impact on the town; having enjoyed the fish and chips in the sunshine I think Passmores students felt it was definitely a positive!)

Chit, Chat Coffee & Cake – 17/06/26

On Thursday 11th June, we hosted our final Parent & Carer Coffee and Cake session of the academic year. We are always so pleased when people take time out of their busy days to join us for a cup of tea and a sweet treat, while sharing valuable insights into what is working well and what we can continue to improve.

These sessions are a fantastic opportunity to strengthen the partnership between home and school, and we are grateful to everyone who attended and contributed to the conversation.

I'm already looking forward to hosting more of these when we return in September... and no, it's not *just* because I am partial to a slice of lemon drizzle cake!

Year 9 Visit to Harlow College – Thursday 25th June

We are pleased to inform parents and carers that all Year 9 students will be attending Harlow College on Thursday 25th June as part of their careers and future pathways programme.

During the visit, students will take part in an activity that they have already selected, giving them the opportunity to experience an area of study or vocational training available at the college. In addition, students will receive a guided tour of the campus and attend a presentation highlighting the wide range of courses, apprenticeships and opportunities available to them when considering their next steps after leaving Passmores Academy.

Students should make their own way to Harlow College and arrive by 9:45am. The day will conclude at 2:30pm, when students will be dismissed directly from the college.

Students are required to bring:

- A packed lunch
- Snacks
- Drinks for the day

Food and refreshments will also be available to purchase from the college canteen. Please note that Harlow College is a cashless site, so students will need a bank card or other cashless payment method if they wish to buy food.

We believe this visit will provide valuable insight into the exciting opportunities available after Year 11 and help students begin thinking about their future education and career choices.

If you have any questions before the visit, please contact:

T. Bassett

We are delighted to announce that tickets are now on sale for Passmores Academy's annual production, Matilda the Musical Jr.

Performance dates are as follows:

Tuesday 7th July 2026
Wednesday 8th July 2026
Thursday 9th July 2026

All performances will commence at 6:30pm. Doors will open at 6pm.

Tickets are priced at £8 for adults and £6 for students/children/senior citizens (OAPs) and can be purchased using the link below.

[Click here for tickets to Matilda the Musical Jr.](#)

Refreshments will be available to purchase before the performance and during the interval.

We anticipate that tickets will sell quickly, so we encourage you to book early to avoid disappointment.

Thank you for your support, and we look forward to welcoming you to what promises to be a fantastic production.

The Production Team

Dear PCLC Family, Parents & Carers,

Graham & Charlie Dowers (Paringdon) are taking on two cycling challenges this year as part of their annual fundraising mission in memory of their Nephew/Cousin, Greg and to raise much needed funds for The Chocolate Run, a charity that I Chair and that hosts a Drop-In every Sunday evening (5-7pm) where Harlow's Street Homeless & Vulnerably Housed can get a hot meal/dessert and companionship. Greg was a very popular Chocolate Run guest until July 2022 when he sadly died.

The Poplar Kitten has offered their support by hosting alternating QUIZ and BINGO nights every Wednesday evening (from 7.15pm) every week throughout June, July & August.

The Chocolate Run Trustees are very grateful to all involved and are keen to invite as many staff, parents, and carers to take part, either alone or as part of a group - I promise you will have a great time whilst raising money to help others.

Sports Presentation Evening 2026

On Wednesday 10th June, we hosted our annual Sports Presentation Evening to celebrate the fantastic achievements of Passmores Academy students throughout the last academic year.

We were delighted to welcome former student Garry Plummer — owner of Target Darts and manager of darts sensation Luke Littler — as our special guest, who kindly presented our winners awards on the night. Garry spoke warmly about how impressed he was by the commitment and hard work shown by our students.

A huge thank you goes to our PE staff, parents, carers, and of course the students themselves, for giving up their evening to come together and celebrate everything that sport gives us — and the role it plays in shaping us into the people we become. Photos to follow next week...

Mr Martin
Head of Department – PE

Young Economist of the year Competition (sponsored by KPMG)

For students in Years 10–13. Students can enter individually or in groups of up to 5.

- **Task:** Submit an essay, presentation, or video/audio answering one of five economics questions (e.g. GDP vs happiness, free trade, dynamic pricing, billionaires, or AI and growth).
- **Deadline:** 29 June 2026
- **What happens next:**
 - 5 shortlisted entries announced September 2026
 - Finalists present at KPMG offices in October 2026 (10-minute presentation + Q&A)
- **Purpose:** Encourage diverse students to engage with contemporary economic issues and share original ideas.

To find out more and apply, go to [Young Economist 2026 | Discover Economics](#)

Year 9 & 10 Work Shadowing Day, Thursday 2nd July

Work shadowing is a fantastic opportunity for students to gain a real insight into the world of work and to be given the chance to observe a job role which may be of specific interest for future career choices. Letters have gone out to year 9 and 10 parents/carers about this opportunity. Students will need to work with family or a close friend of the family. The deadline to find a placement is Friday 5th June 2026.

On the letters, there is a link to a google form, to be completed once the student knows where they are going. Any questions, please contact j.kay@passmoresacademy.com or t.bassett@passmoresacademy.com.

Your School Nursing Service

Someone you know and can trust...

Your School Nursing Service can work both in and out of School to help provide or find you support about:

Keeping Healthy

Immunisations

Emotional Health

Weight Management

Sexual Health

Drugs and Alcohol

Smoking

We can also help make sure that young people with disabilities, long term illness, or other needs can receive extra support when they need it. If we can't provide the help ourselves, we will connect you with someone who can.

Confidential

We provide a confidential service. This means that you can discuss personal information in confidence. We will not discuss your personal information with anyone else without your permission. This includes parents and teachers. We would only pass on your information in order to protect you or someone else from serious harm. Whenever possible we would discuss this with you first.

Qualified

School Nurses or Specialist Community Public Health Nurses are qualified nurses or midwives with specific graduate level education, and work with a team to support you.

Non Judgemental

We are here to help, not to judge.

When and Where can I Access my School Nursing Service?

Every Tuesday

10.55 – 11.45 am

In the A/C.

10 Top Tips for Parents and Educators

SAFETY ON THE ROAD

Traffic-related incidents are a significant risk for young pedestrians and cyclists, so understanding road safety is crucial for children's wellbeing. While all road users share responsibility for keeping one another safe, this guide offers strategies for empowering young people to navigate the roads confidently and responsibly.

1 TAKE PRACTICE JOURNEYS

Making 'practice' journeys with children is a great way to help them stay safe, thereby modelling responsible behaviours and having road safety conversations as they prepare to travel independently. Add hazard perception activities like spotting electric vehicles – which may have a green number plate – and point out how quiet they are. Children learn by watching others; remind them that their peers might not always be the best role models.

2 BE BRIGHT, BE SEEN

Visibility is lower during darker winter days, and drivers need to take extra care to look out for pedestrians. Wearing bright and reflective clothing can help make children more visible to drivers near roads. In poor daylight conditions, encourage children to wear light, bright or fluorescent clothing. When it's dark, wear reflective clothing or materials such as a reflective armband or jacket.

3 EYES UP

Encourage children to look up and keep their eyes on the road. Teach them to constantly watch for traffic and practise double-checking the road before crossing – looking right, left and then right again.

4 LIMIT DISTRACTIONS

Where possible, devices like phones should be kept away from children while out and about near roads. If they're carrying devices, these should be put away until they've reached their destination. Children must also avoid playing with toys or being distracted by friends. If a friend wants to show them something funny on their phone, there'll be time for that once they've safely arrived.

5 SLOW DOWN

Discuss the importance of waiting. Instead of crossing immediately. It can be tricky to judge the speed of traffic and spot obstacles that could cause a trip or a fall. For safety, children must stop and think before they get to the kerb and should always walk – not run – when crossing the road. They should avoid crossing until they're certain they have plenty of time. Even if traffic seems a long way off, it could still be approaching very quickly.

6 STOP BEFORE THE KERB

Teach children to stop before reaching the kerb – not right at the edge of it. Halting before they get to the kerb allows them to see if anything's coming, whereas getting too close to traffic is dangerous. If there's no pavement, children should stand back from the road's edge but ensure they can still see approaching traffic.

7 CROSS SAFELY

Children should always find a safe spot to cross the road, prioritising zebra crossings or pelican crossings, footbridges and subways. Find a place where they can see traffic coming from both directions. Avoid crossing near junctions, bends in the road, or obstacles that block their view, instead moving to somewhere they can see and be seen. Remind them to use their eyes and ears together when checking the road, as sometimes they can hear traffic before they can see it. Looking and listening while crossing helps them quickly spot traffic, including cyclists and motorcyclists driving between other vehicles.

8 PARKED VEHICLES

Crossing between parked vehicles is very dangerous. Teach children to use extra caution if crossing in this way, and, ideally, avoid it altogether. They should use the outside edge of a vehicle as if it were the kerb, waiting and checking for traffic before moving. They should ensure vehicles aren't about to move, by looking for drivers in the vehicles and listening for engines running – but remember that electric vehicles may move off silently. They should always make sure there is a gap between any parked vehicles on the other side, so they can reach the pavement.

9 REVERSING VEHICLES

Children must never cross behind a reversing vehicle – it's extremely dangerous. Remind them to look for white reversing lights and listen out for warning sounds. Can they hear the engine sound or a radio playing inside the vehicle?

10 WAIT FOR THE BUS TO LEAVE

When getting off a bus, children must wait for it to leave before crossing so they can have a clear view of the road in both directions. This also allows them to see and be seen by other road users. Crossing near large vehicles is particularly dangerous and should be avoided.

Meet Our Expert

THINK! is a year-round national campaign that aims to encourage safe road behaviours – whether we're driving, cycling, horse riding or walking – with the aim of reducing the number of people killed and injured on the UK's roads each year. Find out more at: <https://www.think.gov.uk/education-resources/>
